## Explanation of Responses:

\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Effective as of July 20, 2018, an aggregate amount of \$308,807 in convertible promissory notes issued to Star SCI (the "Notes") converted in accordance with their terms (1) into 6,688,480 shares of the Issuer's common stock. For purposes of the filing of this Form 4, the transaction date is deemed to be July 24, 2018, as that was the date that the Issuer preliminarily determined the number of shares of common stock that the Notes were convertible into in accordance with the terms of the Notes.

The conversion price of the Notes was calculated using the VWAP (as defined in the Notes) average of the last 30 days before July 20, 2018. As of the date hereof, the Issuer has not definitively determined the conversion price. In the event that the Issuer definitively determines that the conversion price was lower than \$0.0513, the (2) Reporting Person will file an amendment to this Form 4 to reflect the correct conversion price, number of shares acquired upon conversion, and the amount of securities beneficially owned following the reported transaction.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
